

JOSHUA M. BRADY, MD

EDUCATION

- 2022-2025 **University of Oklahoma Health Sciences Center**
Oklahoma City, Oklahoma
Dermatology Residency; Chief Resident
- 2021-2022 **University of Central Florida/ HCA GME Consortium**
Orlando, Florida
Transitional Year Residency
- 2017-2021 **Wayne State University School of Medicine**
Detroit, Michigan
Medical Doctorate with Distinction
- 2013-2017 **Syracuse University**
Syracuse, New York
Bachelor of Science in Biology and Forensic Science; Minor in Psychology

HONORS/AWARDS

Medical School:

- 2020 **AOA - Alpha Omega Alpha Honor Medical Society** – Inducted after 2nd year
Overall Academic Honors Year III – Wayne State University SOM
1st Place–Medical Student Research Symposium: Public Health Studies – “*The Epidemiology of Melanoma in Wayne County: A Preliminary analysis of Racial Disparities*”
- 2019 **Overall Academic Honors Year II** – Wayne State University SOM
- 2018 **Honorable Mention - Medical Student Research Symposium:** Retrospective Clinical Studies- “*Chest Radiograph Overuse in Pediatric Patients with Asthma: An Interim Analysis.*”
- 2017-present **Board of Governors Scholarship** - Wayne State School of Medicine

Undergraduate and Below:

- 2017 Magna Cum Laude Graduate, Syracuse University
Syracuse University Academic Scholarship (8 semesters)
Dean’s List, Syracuse University (8 semesters)
- 2013 Union Endicott High School Academic Top Ten

CERTIFICATIONS/LICENSURE:

- 2025 - Present **Florida State Medical License** – Dermatology, License No. 172044
- 2022 - Present **Oklahoma State Medical License** – Dermatology, License No. 39308
- 2023 **ACLS & BLS Certified**
- 2020-present **USMLE (ID# 54241575) Passing Scores on Step 1, 2, 3**

2019 **Buprenorphine/MAT Certified** - American Academy of Addiction Psychiatry

PROFESSIONAL MEMBERSHIPS/SOCIETIES

2023-2024 Resident Council Member, Education Committee, University of Oklahoma
2022-present Oklahoma State Dermatology Society, Member
 American Society for Dermatologic Surgery, Member
 Oklahoma City Dermatology Society, Member
2019-present Alpha Omega Alpha Honor Medical Society, Member
 American Academy of Dermatology, Member
2017-present American Medical Association, Member
2015-present Alpha Delta & NY Nu Chapter of Phi Delta Epsilon International Medical Fraternity
2014-present Psi Chi International Honor Society in Psychology, Member
2013-present National Society of Collegiate Scholars, Member
2012-present National Honor Society, Member

WORK EXPERIENCE

2025-Present Dermatology Physician, *Tampa Bay Dermatology, Tampa, FL* – Providing specialized dermatological care in a private practice setting, focusing on medical, pediatric, surgical, and cosmetic treatments.

2022-2025 Resident Physician, *University of Oklahoma Health Sciences Center, Oklahoma City, OK* – Dermatology Resident, responsible for several clinical duties and patient care in the field of Dermatology and Dermatological Surgery at OU Health and the VA Medical Center. Served as *Chief Resident for the 2024-25 academic year*.

2021-2022 Resident Physician, *UCF/Osceola Regional Medical Center, Orlando, FL* – Transitional year resident, responsible for several clinical duties and patient care in a range of medical specialties, including Internal Medicine, Emergency Medicine, and General Surgery.

2018 Student Surgery Extern, *Beaumont Hospital, Dearborn, MI* – observed a wide-range of surgeries and assisted when necessary.

2016-2017 Venue Manager, *Event & Technical Services – Schine Student Center, Syracuse, NY* – responsible for managing crew of employees, set up and break down of venues, assist patrons and take tickets during events, technical assistance for a variety of entertainment events.

2015-2016 Waiter/Server, *Mama Giuseppa's Italian Restaurant, Endicott, NY* – Responsible for taking customer orders, serving food and beverages, preparing salads and desserts, and cleaning the dining room.

2014-2015 Sales Associate, *Bon Ton Department Store, Johnson City, NY* – Provided personalized service to customers, completed in-store purchases and returns using cash register, while making sure the sales floor was stocked, organized, and presentable at all times.

2012 Lifeguard, *Union Endicott Central School District, Endicott, NY* – Recognized emergencies and respond immediately; enforce policies and procedures pertaining to facilities.

LEADERSHIP & TEACHING EXPERIENCE

- 2024-2025** **Chief Resident, University of Oklahoma Department of Dermatology, Oklahoma City, OK** – In addition to resident clinical duties, executed administrative roles such as Scheduling, Medical Student Clerkships, Resident Wellness, Didactics, Morphology Conference
- 2024** **Oklahoma City Community Skin Cancer Screening, Dermatology, University of Oklahoma, Oklahoma City, OK** – Provided free skin cancer screenings to the local OKC community and local churches. Provided clinical education to medical school volunteers.
- 2023-2024** **Resident Committee Representative, University of Oklahoma Department of Dermatology, Oklahoma City, OK** – Served on a multi-disciplinary resident-led committee to discuss issues that affect residents across all specialties. Co-Creator of Education Committee to enact Quality Improvement projects to improve the electronic medical record as well as an organizing financial literacy lecture series for all residents.
- 2021-2022** **Transitional Year Class Representative/ Liaison, University of Central Florida/HCA GME Consortium, Orlando, FL** – Attended quarterly meetings to represent the Transitional Year residents and express any feedback or concerns that were pertinent. Assisted with resident recruitment.
- 2020-2021** **Fabric of Society Cocurricular Program, Wayne State School of Medicine, Detroit, MI** – Participation in *over 150 hours* of various community service and clinic-orientated programs throughout the local community of Detroit in the first few years of medical school.
- Clerkship Orientation Leader, Wayne State School of Medicine, Detroit, MI** – Developed presentations for the rising 3rd year medical students to help them transition from a more academically focused curriculum to a more clinically focused curriculum. Led several online virtual orientation sessions to give advice and answer any questions students had.
- Medical School Orientation Leader, Wayne State School of Medicine, Detroit, MI** – Served on an upperclassmen medical student panel for incoming first year medical students to help them transition to a medical school setting to give advice and answer any questions they may have had.
- 2018-2021** **Learning Community Mentor, Wayne State School of Medicine, Detroit, MI** – mentored a group of medical students; arranged meetings and was available to answer question about easing the transition into medical school.
- 2017-2021** **Mentor, Wayne State School of Medicine Premed Mentor Program, Detroit, MI** - mentored premedical students pursuing medical school at Wayne State University's undergraduate campus
- VP of Recruitment - Phi Delta Epsilon International Medical Fraternity, Detroit, MI** – professional community service based medical fraternity, Vice President of Recruitment for Alpha Delta chapter at WSUSOM
- 2018-2019** **Member of Search Committee for Assistant Dean for Office of Learning & Teaching, Detroit MI** – part of hiring committee for new administrative position at Wayne State Medical School; conducted interviews of several candidates and participated in hiring process

- 2017-2019** **Wayne State School of Medicine Student Ambassador, Detroit, MI** – helped arrange and facilitate group interview days for prospective medical students; gave prospective students tours of the Wayne State campus, while answering any questions they may have had
- Clinic Coordinator, All Saints Clinic and Soup Kitchen, Detroit, MI** - scheduled clinic days, communicated with attending physicians, taught underclassman clinical techniques, set up and managed EMR
- 2018** **Instructor, Make Your Date Prenatal Education, Detroit Medical Center, Detroit, MI** - educated expecting mothers through prenatal care modules to achieve healthy pregnancies and healthy babies
- Instructor, Barbershop HIV Education, Livonia, MI** - taught adult individuals about HIV transmission, pathogenesis and prevention strategies
- 2017** **Global Medical Brigades, Medical Mission Trip, Panama** – Set up medical clinics in underserved communities in Panama, shadowed doctors, various service projects; worked on home improvement projects for local community members, and installed sanitation systems
- 2014-2017** **Tutor, Syracuse University Academic Services, Syracuse, NY** - tutored undergraduate students in the subject areas of general biology, genetics, and general chemistry
- Recruitment Committee Member, Phi Delta Epsilon International Medical Fraternity, Syracuse, NY** – Member of NY Nu chapter, serving as a member of the recruitment committee as well as participating in many campus-wide service events
- 2016** **Health for Haiti – Study Abroad, Broome Community College, Port Au Prince, Haiti** – set up medical/dental clinics in Haitian communities, shadowed physicians, set up and facilitated a pharmacy, various service projects, education sessions for local children; installed solar panels and water filtration system
- 2016** **Biology Lab Leader, Syracuse University Department of Biology, Syracuse, NY** - led a team of students during weekly general biology labs
- 2007 – 2016** **Youth Group Coordinator, St. Anthony of Padua Church, Endicott, NY** – Helped facilitate and complete numerous community service projects around Broome County; neighborhood clean ups, volunteering at local nursing homes, religious education

VOLUNTEER & CLINICAL EXPERIENCE

- 2024** **Bone Marrow Transplant Support Group Leader-** Resident Volunteer, Oklahoma City, OK
- 2022-25** **Resident Physician Volunteer** - Crossings Community Clinic, Oklahoma City, OK
- 2020** **Medical Student Volunteer** - Cabrini Dermatology Clinic, Detroit, MI
- 2019** **Medical Student Volunteer** - Michigan Dermatological Society Meeting, Detroit, MI
- 2017-19** **Clinic Coordinator & Volunteer** - All Saints Free Clinic and Soup Kitchen, Detroit, MI

- Clinic Volunteer** - Detroit Street Medicine, Detroit, MI
Community Outreach Volunteer - Project H Community Outreach, Westland, MI
Warehouse Volunteer - Gleaners Foodbank, Detroit, MI
- 2018** **Clinic Volunteer** - Student Run Free Clinic (SRFC), Detroit, MI
Volunteer - Auntie Na's Neighborhood Outreach, Detroit, MI
Volunteer Educator - Wayne State SOM Alumni Association Future Docs Day, Detroit, MI
- 2017** **Volunteer** - Wayne State School of Medicine Service Learning, Detroit, MI
Volunteer - Global Medical Brigades, Medical Mission Trip, Panama
- 2016** **Volunteer** - Health for Haiti Mission Trip, Port Au Prince, Haiti
- 2015** **Pre-Med Volunteer** - Wilson Hospital, Johnson City, NY - Cardiac ambulatory care, GI unit
Pre-Med Volunteer - Lourdes Hospital, Binghamton, NY – Emergency Department

RESEARCH EXPERIENCE

- 2022-2025** **University of Oklahoma Health Sciences Center – Department of Dermatology, OKC, OK**
 As a Dermatology Resident Physician and Chief Resident; Collaborated with numerous medical students, Residents and faculty on several Case Reports, IRB's, and scholarly poster presentation and podium presentation, which were published in various academic journal and presented at various local, regional, and national conferences. Partook in several local academic teaching sessions such as OUHSC Morphology Conference weekly and OUHSC Grand Rounds.
- 2020-2021** **Henry Ford Health System – Department of Dermatology, Detroit, MI**
 Study on assessing a new clinical grading scale for keloids; Case report on clinical decision making in cutaneous squamous cell carcinoma; Reference guide for cutaneous manifestations of antineoplastic agents; Systematic Review of Infrared Radiation and its Biologic Effects on the Skin.
Dermatology Research Assistant
 - Helped screen and recruit patients for a keloid research study, as well as inform them about the study criteria and protocol. Facilitated follow up visit regarding a new clinical grading scale to assess keloid scars.
- 2019-2021** **Wayne State University School of Medicine – Department of Dermatology**
 VA Hospital, Detroit, MI
Medical Student Research Investigator - under Meena Moossavi MD & Aliya Hines MD.
 - Collaborated with dermatologists and other medical students to work on projects involving the growing concept of telederm, historical significance of several prominent physicians in the field of dermatology, quality improvement project for treatment of squamous cell carcinoma at VA hospital, epidemiological studies of the local Detroit population involving melanoma.
- 2018-2019** **Children's Hospital of Michigan – Emergency Department**
 Detroit Medical Center, Detroit, MI
Medical Student Clinical Research Investigator
 - Collaborated with a team of researchers, physicians, and statisticians on several projects revolving around the topics of asthma, utility of chest x-ray, and quality improvement modalities in the emergency department.

- 2016-2017 Senior Capstone Thesis – Forensic and National Security Sciences Institute**
Syracuse University, Syracuse, NY
Analysis of Trace DNA Recovery from Different Sources
- Research done on recovering trace DNA from varying sources, such as bedsheets, shoe insoles, documents, and fingerprints. Meta-analysis was performed comparing all of the different sources to see which are the most useful and effective sources of trace DNA - bridging the gap between all of the different sources of DNA, in order to identify areas of further research in the field.
- 2015-2016 Silver Biology & Forensic Science Lab**
Syracuse University Department of Biological Sciences, Syracuse, NY
Student Research Assistant, under Robert Silver, PhD.
- The research focus was on how cells decide to undergo mitosis; to understand complex processes and mechanisms from the perspective of fundamental principles in biology
